Fenton, Pa., (UPI)—The annual supper was enjoyed by members of the United Church, W.B. Brandon, who presided, was held in the Sunday School room, following the election of officers for 1953 as a session, impromptu service.

The business meeting was conducted by Mrs. W. B. Brandon, who is starting her eighth year as president. Minutes were read by Mrs. W. B. Brandon and the spiritual devotions were reported by Mrs. M. H. McCullough. The report of the work accomplished by her departments in 1952.

Mrs. T. W. Graham led in the worship service with the hymn "Hail to the Chief as a means of Grace." The opening hymn was sung, with Mrs. B. Robinson at the piano. The service was led by Mrs. W. B. Brandon and by Miss L. Sturgeson.

In a season of prayer, prayers were offered by Mrs. J. H. McCullough, Mrs. J. Whitehouse, A. Magee and B. Robinson. A stirring message on the theme was brought by Rev. J. H. "Bill" Thibault, who said, "The Word of God which will aid in achieving homes, 'First in prayer,' he said, 'when we commune with God, we should pray in the morning to unlock God's door and in the evening to lock His door on danger. Bible study and family worship are also indispensable aids in achieving the beauty of holiness in our daily lives.'

Following the singing of an African hymn, "Hymns to This Our God and Heavenly Father," Mrs. Milby, whose daughter, Edith, is a missionary in Nigeria, told interesting bits about her life and work there. "The Healing Ministry," a chapter from "Along Africa Trails" was presented in the form of an enlightening interview conducted by Mrs. T. C. Graham with Mrs. Edith A. Gilie, W. Maryland and W. Canada, who experienced surgery in mission hospitals in Africa.

A beautiful solo, "Let not past again this year," Mrs. Telford, accompanied by Mrs. Helen Dible, was greatly appreciated. Mrs. Martin Dible offered prayer for the

## Successful Year Reported By Trinity United

Omaha, Neb., (UPI)—The annual meeting of Trinity United Church was held, providing a congregational report. Rev. V. E. Smith led in a special prayer for the unfortunate black victims of the recent violence in the heart of the city. Rev. George Benson was reported secretary pro tem.

Rev. Mr. Smith reported 18 members, 12 baptisms and 11. Quarters for 1953 and a net increase in membership of 18. Financial reports from all branches were presented with 1952 being noted as the purpose of which \$10,000 was for missionary projects. All pastor appointments, V. P. C. Mission Board, Sunday School and Betty Band showed definite increase in membership, while the W. A. had an exceptionally good year.

Words of appreciation were expressed for the efforts of Rev. Smith and his past year to the choir, missionary, secretary, organist, Miss Lillian Rice and all who served to make the year successful.

The retiring Stewards Messrs. A. McDonald, Wesley Wilson, Burton, Parnell, C. R. Vaughan and George Benson were re-appointed for 1953. Arthur Weir was appointed as treasurer to replace Mr. George Anderson, who moved to Watrous and the late Mr. William Connell. Mrs. Mitchell Jones was elected as clerk and Mr. Richard James was elected as Mr. T. Broderick who moved away.

The 1952 sessions will be Mrs. Christine Connell and Miss Jeanne Lamb. Mrs. Russell Brooks and George Gannon and others with Melville Jones and Thos. McCullough as visitors.

Services in the evening during July, August and led, Sunday in September will be withdrawn. The Board recommended that as effort be made to place the United Church observer, official crash, in the home of every active member.

A hymn and the dedication, presented by Mrs. Brandon, brought the evening to a close.

Mrs. Shambrover were a white dress in Washington the other day. A slip at the mint situation, no doubt—Windsor Star.

## Mrs. Carson Guest Speaker At Powles Corner W.I.

Powles Corner (UPI)—The January meeting of the Powles Corner W.I. was held at the home of Mrs. J. H. Carson with an attendance of 42.

The meeting opened with the singing of the Institute Ode, followed by Mary Brown, called as the Lord's Prayer.

The roll call was answered with a "National Salute" and the Big Sisterhood. The minutes of the last meeting were read and approved. As read, Correspondence was read, also cards of thanks for Christmas loans and visits received. Christmas.

It was moved by Mrs. Allen Gilie and seconded by Mrs. Mary Carson that a gift of \$10.00 be sent to Mrs. S. P. Jull in appreciation of her work as health nurse at the school. It was decided to have a quilt at the home of Mrs. James Carson.

It was moved by Mrs. Sam Moore that Mrs. Gordon Gilie, Mrs. Quigley, Mrs. Donald McGee be a committee in charge of the Valentine meeting in February.

Mrs. Gordon Moore introduced Mrs. Carson who spoke on "Institute work in your community" and for the International as a whole.

Mrs. John Blane gave a very interesting paper on "Citizenship and Education."

The meeting closed with the singing of "The Good and Beautiful" hymn was served by Mrs. Jones and her husband. The February meeting is to be held at the home of Mrs. Mary Moore and the roll call is to be a Valentine verse and a mixed program.

H. H. McFadden H.S.A. Chairman

For the second time since the Board's founding, a Lindsay member of the Victoria County District High School Area, has been named chairman of the Board. The terms of Lindsay has three members on the Board and in this, the third year of the Board's operation, the second Lindsay member has been named chairman, with the experienced Mr. H. H. McFadden, Jasper, former, another Lindsay member on the Board, was the first chairman. Dr. Foster Graham, Victoria County representative, was chairman last year.

W. B. Brandon, who represents Poudre Falls, has been named vice-chairman.

Several new members appeared on the Board's roster at the inaugural meeting. They are: C. K. Benson, Black Twp.; C. E. Fether, Somerville Twp.; Ross Paulsen, Buckley Twp.; Victoria Knox, Verulam Twp.

Those members remaining from 1952 are as follows: J. E. Brown, Laxton, Digby and Langford Twp.; Gerald D. Connolly, Laidley, George, Laidley, Albert, Quigley, Oak Twp.; Aspin, Dawson, Mariposa Twp.; J. W. Dwyer, Lindsay; Jasper, Fether, Lindsay; Howard Fleming, Dalton; J. M. Kelly, Rancor; Dr. P. M. Graham, Victoria County; Mrs. C. M. Laidley, Lindsay; Leslie, Poudre, Black Twp.; George B. McFadden, Verulam; George B. McFadden, Verulam Twp.; Percy Preston, Mariposa Twp.; and Dr. W. D. Thomas, Robson, Verulam.

Highway Number 7 approaching Lindsay from the west, begins to take the appearance of "The Great White Way" these nights. Contributing to the brightly-litened avenue are the "Good-Bye of Poudre" Motors, a modern motor vehicle service enterprise.

Playway Motors, located for its proximity to the Lindsay Golf Club, has been opened by Mr. Ken W. Western, who was formerly of Western Canada and Mr. Wm. Johnston, a former employee of the CNR for 15 years.

Mr. Western brings to the business 10 years of experience in the retail service field and Mr. Johnston has been associated with the retail automobile sales business for three years in a part-time basis. Both sports-minded, Ken's long skill in hockey and Bill's, who is a member of the L.C.'s COSSA championship team in 1949.

Attractively decorated throughout in pastel green, the new service depot is equipped with excellent display facilities and servicing units. An hydraulic hoist eliminates the pinch-point of greasing and wheel under-carriage work.

The new partners have taken on a "White Horse agency" and Mr. Western has established himself as a Wheelmaster dealer for the area, an agency held to his name while with Western's Garage. New model displays are expected by mid-February. A feature of the new service station is the exceptionally well-furnished rest room accommodation.

For 1953, Chevrolet trucks offer new performance, new stamina, new safety and economy—and every model is even stronger, sturdier, more durable than those of past years!

The advanced Loadmaster, Torquemaster and Workmaster engines in all models deliver more power than has ever before been available in Chevrolet trucks. This big, bulky, valve-in-head engine with a new high-compression ratio brings you finer performance, faster acceleration, greater hill-climbing ability and substantially greater gasoline mileage.

But that's only the beginning. You get all the proved features and advantages that have made Chevrolet trucks world-

famous for their ability to handle the roughest jobs day after day at the lowest over-all cost to you!

Yet, even with all these great advantages, 1953 Chevrolet trucks give you more for your money than any other trucks of comparable capacity and specifications. Drop in at our showroom and talk over your trucking needs. Let us show you how much more you get for your money with 1953 Chevrolet trucks.

4 powerful reasons why they are better than ever

more engine power!

You get all the power you need with outstanding value—head economy from Chevrolet's great new engines for 1953—the 108-h.p. Loadmaster, the 125-h.p. Torquemaster and the big 150-h.p. Workmaster—all with new high compression ratios.

more staying power!

New, heavier, stronger, more durable frames increase rigidity, add to ruggedness and stamina of all 1953 Chevrolet trucks. Long frames for their ability to take the roughest jobs day after day. Chevrolet trucks are now built to last.

more braking power!

In 1953, all Chevrolet trucks up to 1400 Series are equipped both front and rear with big, powerful "Torque-Action" brakes which make full use of truck momentum for greater stopping power. Series 1100, 1500, 1700 and 1800 heavy-duty units use extra-large "Torque-Action" brakes in front. "Twist-Action" type in rear. Both assure quick, smooth, safe stops—provide greater stopping power, greater durability than before.

more economy!

The new and greater stamina of 1953 Chevrolet trucks, plus extra gasoline economy with improved valve-in-head engines, reduce hauling costs per ton-mile, bring you greater over-all economy throughout the long life of your truck.

## Sees Justification Of Recount From Results Here, Elsewhere; Need For Improved Balloting

Lindsay, Ont.  
Feb. 8, 1953

The Lindsay Post, in its issue of last December for Mayor was the account which followed was recently dispatched at Windsor where the contest for a councillor seat was decided won by a majority of 1 vote and then subject to a recount.

In Lindsay, as reported in your paper, the majority vote was reduced in the recount under Judge J. A. McRobison from 1 to 3, and at the same time it was shown that a total of 30 ballots were disqualified in addition to 18 irregularly opened and 140 unmarked.

In Windsor, according to the Windsor Star, the recount, under Judge A. G. Gordon, showed 20 "miscounted" or changed in the original tally which resulted in 168 votes being added and 81 deducted, with 10 of the original majority was increased from 1 to 25. This was the result of a number of unmarked ballots or those originally spoiled.

In this case, Stanley the mayor for Deputy Berne resulted in a majority of 1 vote, and on previous election Judge J. P. McMillan the vice because a tie. In this case 39 ballots had been rejected by the Deputy Returning Officers had 6 of these were validated and subject to be counted. There were 28 blacked ballots. The tie was broken by Municipal Clerk Joseph Burke who, with the consent of the candidates, tossed a coin.

In each of these elections it is

possible that the outcome would have been different if all of the voters who went to the polls had cast definite and proper ballots. And in support of the Deputy Returning Officers, there seemed to be the necessity, in some cases of questionable ballots, for the attendance of expert legal opinion.

A surprising detail of the Windsor recount was that quite a few ballots, some in simple addition, were made by the D.R.O.'s of more than three school teachers.

## Red Cross Here Accepting Aid For European Flood Victims

The Red Cross Society of Lindsay has been asked to join in helping provide relief for flood victims overseas. President of the Lindsay and Victoria County Branch, W. B. Battersley, says he has been advised by the Commissioner L. B. Hargrave that "floods" should be prepared to accept voluntary cash donations for the relief of flood victims. A letter to the Lindsay "Herald" says that "donations on receipt of word of the dreadful situation in England and the Continent, efforts of assistance will be sent by cable from our National Office."

## Supplying Charge Dismissed Because of Technical Error

A 17-year-old Lindsay youth was fined \$10 and costs on a conviction of obtaining liquor on a commission of a technical error in the charge. The charge omitted the word "voluntarily" supplied. When 18 years of age, in his place had "unlawfully" supplied. His counsel pointed out that the charge was a technical error in the charge. The 17-year-old pleaded guilty to the charge but at January 10 and Constable Ross, Belling told the Court of finding the accused guilty in a charge. Deputy-Magistrate R. I. Moore, Q.C., levied the minimum fine of \$10 and costs and gave the accused one week in which to pay the charge or to jail for 10 days. The 17-year-old complained, from Lorneville, pleaded guilty to the charge of having liquor and was fined \$10 and costs. He pleaded guilty to the charge of supplying to a minor, a charge that carried

Mr. Harris, who lost out to John L. as a federal Liberal candidate in this riding, was the unanimous choice to succeed James. Mr. Harris, who has been 18 years of age as president. The meeting of Liberals from all corners of Ontario laid tribute to Mr. Meffering for his long and devoted service to the party.

William G. Harris, president of the Ontario Liberal Association in full session, presided and called a splendid record for the Liberal Party in federal government.

"The Liberal party has created an environment in which both labour and capital are prospered and profit," said Mr. Harris. "Our party has been able to do this because we have been able to acknowledge their own merits."

During the past 30 years, Liberalism has been in constant contact with the people. It has been a constant and important business and a challenge to every man, for without democracy we had no future. The country would be a chaos and anarchy.

### Lindsay Child Has Narrow Escape, Collides With Car

More Recreation: More Delinquency.

## Too Many Delinquent Parents, Kiwanis Club Here is Told

"There are too many delinquent parents," said W. C. Cummins, a representative of the Victoria Children's Aid Society, in addressing the Lindsay Kiwanis club last week. Mr. Cummins, a social worker, said in the C.A.S. report.

Mr. Cummins mentioned his remarks by saying that he had no intention of criticizing any parents or groups. He further said that he planned on presenting some questions for the service club's consideration, adding that the problems put forth were not those of Lindsay but were pretty every other community in the country.

Mr. Cummins said that the trend of the day seemed to lean towards a larger recreational program yet in Lindsay the trend had been an increase in delinquency.

He recalled that, before articular on that had been initiated at the Lindsay Arena there had been five juveniles and five adults, hockey team. This year, he pointed out, there was only one juvenile and four adult teams. He added that there was a trend in the area of Pee Wee and Squirt teams but he added that the number of adults participating among the older boys had dropped.

Speaking of the 10th juvenile who had appeared before Magistrate J. A. Oke, Mr. Cummins reported that seven of the group had come from "broken homes, some of three parents, he said. The number of children in the area was dropping.

Mr. Cummins said that Lindsay's crime rate had become a joke. The boys and girls, he said, are still allowed out at night and occasionally parents call officials to say that their children are arrested in a locker room or some other place where else it said that the time had arrived when there had developed no respect for some things. He added the "No Smoking" signs in the Arena, stating that even he and the Fire Chief had been arrested on the premises.

Mr. Cummins said that the "Kids" he said, "are also smoking." The "real of the trouble," said Mr. Cummins, "is in the home and the lack of parental control. He said that he had been told by a "senior" to be a lack of religion and virtue." He offered the suggestion

## New Strength And Powers Promised Municipalities In Speech From Throne

Toronto, Feb. 12.—BUT—The third session of the 24th Ontario Legislature opened on a 2 p.m. today with a speech from the throne indicating the major legislation would give municipalities new strength and power.

The speech read by Lieutenant Governor Leslie O'Brien, indicated it would be one of the "major" things since the day of the "Two" which formerly had made the Ontario house one of the strongest in the world.

"Very important measures," said the speaker, "will be presented to the assembly and powers of municipalities throughout Ontario were promised, with emphasis on the controversial Municipal Board report."

Members had already studied the report, which recommended a re-organization to control water, sewage, solid waste, transportation, housing, public planning, taxation and finance.

The speaker said that "most important" legislation would be presented in a present 100 million dollars to municipalities multiplied six times in the "new" budget.

He said that the Toronto area, one of the greatest in Canada, urgently needed more should be spent on reducing waste.

Mr. Cummins added that girls were misbehaving so well as the boys. He said that four or five out of every 10 girls in the house between the ages of 14 and 18 years had either been drunk or been had by a boy.

He concluded by saying "Of course but I am giving you girls the other side of the picture. What is it for? Perhaps it is a lack of self control to get together with well as other organizations. The need is there."

## On Way Home From School, Boy Killed

Colborne, Feb. 12.—BUT—A six-year-old boy on his way home from school was instantly killed yesterday afternoon by a heavily loaded truck.

Alana Westbrook, a five-year-old, was a car driven by a neighbor, Geoff Taylor. The boy ran from behind the trailer attached to Taylor's car and into the path of the truck.

The truck driver, Dick Collins, 40, of Toronto, 187 Colborne, turned the truck into the street, a little effort to avoid the child. The front bumper struck him.

The speech said the Ontario Provincial-Municipal Relations Committee will present a letter to parliament after more than two years study covering the whole field of fiscal relationships.

It added that Ontario boys in a federal committee will be set up to help study the whole problem of federal-provincial relations.

## But this time nothing stolen

For the 10th time since the garage was opened a few years ago, Miller's Service Station was entered on Wednesday night. On this occasion, however, nothing was stolen.

Bob Miller, proprietor of the service station, made the discovery this morning when he came to work. Entry was made through a rear door but he told police that it appeared that nothing had been stolen. This, he told police, is the 10th time that his premises, situated in City Township on Highway 7, south of Lindsay, had been entered.

Bob Miller who opened the shop six years ago, valued about 200 years north of the service station. This morning at 6:30, he saw men entering in the garage, he says, and presumed it was his monthly getting up early start. At the same time, another man was arriving. David Miller, his son, saw the movements in the garage, says Mr. Miller, only to identify them as a man pulling fire off the rack on the wall.

# CLARENCE COUNTY-WIDE AD-DEAL

## Where to start disagreed upon, form committee

The first step to create county-wide public relations in an extensive area of the Municipality of Clarence County is to form a committee. At the annual meeting of the Board of Governors of the hospital on Friday evening, members agreed to become a committee representing the community representing every municipality in Victoria County which would in turn organize itself into a district committee, working in the interests of an extension to the hospital.

If J. Stohanson, chairman of the Board, after the other annual meeting had been read, reported on the meeting in the town hall at which Dr. Agar had offered his resignation for an extension to the Rose Memorial Hospital, Mr. Stohanson said he felt that a decision to go ahead was what would result from a larger body than the Board of Governors of the hospital and suggested that an advisory committee or extension committee be formed to study the matter of an extension and make recommendations to the Board.

T. H. Stinson, O.C., did not agree with this and said that he stated that the Board must first go to the County Council and the County Council to learn whether either of these bodies would be willing to accept the extension of the hospital. "There is no possible chance," he claimed, "of raising \$100,000 within the County and the Town are prepared to raise a half portion. If they are not, we might as well close it up now." He added that it would be presently the cost of the extension would be \$100,000 to the public subscription.

Mayor Lamb suggested that if such a plan were to be accepted, the name of the hospital would have to be changed and Mr. Stinson agreed that some change would be necessary. He noted that the city of Peterborough had made its name change to the hospital which was the Nichols Hospital, an institution presented to the City much as the Rose Memorial Hospital. The next move, he urged, was for the Board to approach the County and the Town. "We have been there," he added, "and not with too much success."

Neither Council, said Mr. Stinson, would be willing to go further than their opinion on the extension and again urged that a county-wide committee be formed to study that option.

Mr. Stinson said he observed that the county was faced with an expenditure of more than one million dollars for the extension of the hospital. "It is unfortunate," said Mr. Stinson, "that the County and the Town are not prepared to raise a half portion of the cost of the extension. It would be very hard on the taxpayers."

After further discussion on whether to first approach the two councils or whether to first form a county committee, Mr. Stinson suggested that it would be the proper order of events for the Board to approach the County and the Town. "It is the way the hospital has been formed," said Rev. Richard Butler, of Lindsay, "and that is the way the hospital has been formed." The next meeting of the County Council would be on March 14th. If the Board wished to approach the County, Mayor Lamb of Lindsay, who observed that the cost of the extension to the hospital had been

## Unusual Trend... Bus Company Has Distinction Of Reducing Its Fares

Very few at any transportation systems in Canada have had fares reduced for the past 20 years. In fact, most have increased fares in that time. The Ontario Coach Lines, operating under the management of Dave Clark, has announced that it has reduced fares for its customers. The fare reduction was announced by Clark, who is the president of the company. He said that the fare reduction was a result of the company's decision to reduce its fares for its customers. The fare reduction was announced by Clark, who is the president of the company. He said that the fare reduction was a result of the company's decision to reduce its fares for its customers.

"It is going to be a long process of education," said Mr. Stinson. He stated that the town of Simcoe, in constructing its hospital, had set an objective of \$50,000 for public subscription. After eleven years, it had been achieved. "Only when we go to \$100,000 in this county, we have to go to \$100,000 in this county," said Mr. Stinson. "Only when we go to \$100,000 in this county, we have to go to \$100,000 in this county," said Mr. Stinson.

Rev. Butler suggested that the hospital extension might be the answer, but Mr. Stinson claimed that very little of the amount collected ever got to the hospital. Mr. Stinson suggested that there might be a number of former Lindsay residents who have now reached a position where they could and would make a substantial donation. He cited one case where a former resident had contributed \$100,000 to the YMCA.

Mr. Volkin suggested that a small committee, named by the Board, might approach all the service clubs, W.C.s etc. in the county, after calling a public meeting to feel out their interest. Mayor Lamb suggested that this meeting be held in the Armory, adding that 1,000 or 1,500 people would probably be present.

In the conclusion of the meeting, the whole Board was named as a committee to study the matter and eventually call a public meeting to sense interest in a hospital extension.

## High-kicking Steer Injures Ring-man At Sales Barn

A high-kicking yearling steer injured a ring-man at the sales barn of the Municipality of Clarence County on Friday afternoon. Kicking high in the air, a yearling steer, which was sent to hospital, X-rays did not reveal any fractures but his chest-kick structure but this didn't lessen the pain the kick inflicted.

Warren Brown, the injured man's employer, said he saw Mr. O'Connell last night and his face was very swollen. Mr. Brown said O'Connell had been employed by him as a ring-man for some years and this was the first time such an accident had occurred. He said the steer kicked with both hind feet, but it was not clear if the steer was in the pen. The injured man was taken to hospital.

**Mary Heavener**  
 Pallbearer & short films, Mary Heavener, passed away at her residence 183 Main Street, Wm. Gull, on Thursday, February 25th.  
 She was born in Preston Township, the daughter of John Donald and Sarah McIntyre, and was married to Joseph W. Heavener, who predeceased her in 1920.  
 She is survived by two daughters, Mrs. Sidney Smith, Toronto, and Mrs. James Mahoney, Oshawa, and by one brother, Robert, of Woodstock.  
 The funeral was held at the Dorothy Ross Church, Port Perry, on Saturday, February 26th, to the Church of the Good Shepherd, where Requiem High Mass was sung at 10:30 a.m. by Rev. Paul Marini. Interment was made in St. Columba's R. C. Cemetery, Oshawa.  
 The pallbearers were Messrs. Joseph Heavener, John Heavener, Martin Heavener, Lou Arsenault, Ted Smith and Harry Reid.
